

CONTINUING PROFESSIONAL MEDICAL EDUCATION AND CERTIFICATION OF MEDICAL WORKERS: TODAY AND TOMORROW

APRIL 18-19, 2019
GOMEL, BELARUS

April 18-19, 2019 at the Educational Institution "Gomel State Medical University" (Lange str., 5, 246000 Gomel, Belarus) will take place International Scientific and Practical Conference "Continuing professional medical education and certification of medical workers: today and tomorrow".

At the conference will take part specialists in the field of medical education from Belarus, CIS countries and EU.

Within the announced event, it is planned to discuss the following issues of concern:

1. Bologna Process at medical education: to be or not to be?
2. The experience of reforming the medical education system in world practice: how to avoid mistakes?
3. Continuity of medical education at different stages: keep in step?
4. Certification in Continuing Medical Education: how to get away from formalism?

DIRECTIONS OF THE CONFERENCE

- Career guidance and supplementary education for children and young people
- Innovative approaches at the higher medical education in Level I and II
- Academic Mobility Programs
- Development model of higher education "University 3.0"
- Educational management and health service exports. Economic model of healthcare
