

Internship in healthcare in Florence - Italy

Participate in a medical and healthcare internship in Florence, Italy. You will be involved in hospital work that offers an interesting setting to gaining knowledge of diseases, procedures, treatments, and how things are done in comparison to your home country.

You will get the chance to utilize your skills and to experience the in-country healthcare system. You will get opportunities to shadow staff at local hospitals and clinics

For internship duration and fee contact: info@istitutoeuropeo.it
