Information Bulletin

About ICTRC

Institute of Counsellor Training Research and Consultancy (ICTRC) was established in 1992 to work in the area of mental health. The core group of ICTRC comprises educational psychologists, counselling psychologists, and leading educationist

The vision of ICTRC is to improve the quality of life by improving mental health through guidance and counselling.

ICTRC facilitates educational institutions, government organizations, corporate houses and NGOs realize their full potential by empowering their people in leadership positions and also the people who are responsible for guiding adolescents and youth.

One of the major objectives of ICTRC is to strengthen counselling initiatives in schools and other educational institutions.

Intervention

Post Graduate Diploma in Guidance and Counselling

Teachers who have attended ICTRC programs have always felt the need for further training in the field of guidance and counselling. However, due to paucity of time and scarcity of worthwhile training programs, they have not been able to join any courses in this field. A need was always felt for a Distance Learning Program which caters to working teachers. To bridge this gap, ICTRC introduced the 1 year Post Graduate Diploma in Guidance and Counselling through online mode. This diploma enables in-service teachers to avail the opportunity of pursuing the course without having to leave their places of work or residence.

Eligibility

Any one of the following

- In-service teachers possessing graduation with teaching degree/diploma.
- In-service teachers with a minimum of two years of teaching experience.
- Teachers not presently employed but possessing graduation with teaching degree/diploma.
- *Candidates pursuing teaching degree/diploma
- *Post-graduates in Psychology/Social Work/ Education/Child Development/Special Education.

*Those who are pursuing these courses can also apply. However, their diploma will be awarded only on successful completion of their degree.
